By establishing the minimum number votes needed, we guarantee that enough officers and GSRs are in attendance, and the assembled committee is capable of developing a fully informed, balanced group conscience leading to sound service decisions on behalf of the GLANA membership. Quorum is also a protection against action in the name of the GLASC, by a small number of persons whose individual consciences may not be an adequate representation of the GLANA membership as a whole.

63.4 (a) Any excess funds beyond a prudent reserve approved by the G.L.A.S.C. must be turned over to the G.L.A.S.C. Treasurer at the regular monthly G.L.A.S.C. meeting.

63.4 (b) Manage starter package. [see 20.1(h)]

64. FINANCIAL AUDITS AND REVIEWS

64.1. An annual audit shall be conducted each December by the GLASC under the direction of the GLASC Treasurer

64.2. An annual audit shall be conducted of all sub-committees each June for submission and approval of the GLASC under the direction of the GLASC Chairperson and the GLASC Treasurer

64.3. Periodic reviews will be conducted at any time, by the GLASC, as outlined in the Treasurer's Handbook

65. PRUDENT RESERVES AND SPENDING FREEZES

65.1. The G.L.A.S.C. shall maintain a prudent reserve, equal to half of the annual operating fixed expenses, as well as funds approved for expenses incurred in fostering the growth and unity of N.A. as a whole.

65.2. Should revenues be 15% behind the current month's estimated point and/or the bank balance fall to the prudent level, non-fixed expenses will be suspended until revenues achieve par with budgeted expectations AND the bank balance is above the prudent reserve.

65.3. The Treasurer will inform the body in their monthly report, and all expenses after that point are forfeit. Expenses submitted at that meeting and subsequent meetings incurred prior to said report will be paid. No receipts incurred during spending suspension will be reimbursed, even when suspension is lifted.

BUDGET ESTIMATE AND FINANCIAL FORECAST

66. RECURRING EXPENSES

66.1. Budget estimates for recurring expenses will be developed by the G.L.A.S.C. for approval in December of each year. Therefore, funds for these expenses shall not require repeated approval by the G.L.A.S.C., unless there is a change from what was detailed in the budget estimates. These expenditures shall be reflected in the monthly Treasurer's report.

66.2. The G.L.A.S.C. Treasurer will prepare the estimated budget for the following year using the following procedure:

66.2 (a) Revenues will be estimated using a 5 year weighted average:

(Current year X 5 + last year X 4 + 2 years back X 3 + 3 years back X 2 + 4 years back X 1) / 15

66.2 (b) For the above formula the current year end will be estimated by the formula:

(Year to date X 12) / Number of months passed

66.2 (c) Once revenues have been estimated, externally fixed expenses (facility rent, mailbox, etc.) will be calculated using the formula:

(Current monthly rate X 12) X 1.05

66.2 (d) After fixed expenses have been calculated the remaining lines of the budget are also averaged using the formula for weighted average of revenue. The difference between this total and the remaining available estimated revenue is added or subtracted evenly across these lines.

66.2 (e) The budget MUST balance Revenues and Expenses.

AMENDMENTS TO POLICIES AND PROCEDURES

67. AMENDMENT

67.1. An amendment is an alteration, addition, or deletion to any of the Policies & Procedures. The parts of the Policies & Procedures that are not amended remain in force. For our purposes there are three types of amendments which are as follows:

68. SECOND CONCEPT AMENDMENT:

(The final responsibility and authority for NA services rests with the NA groups)

68.1. This is a major change; that results in adding or removing a permanent action, item, duty or requirement; and is outside the scope of the original understanding and consent of the G.L.A.S.C Home groups. *(I.e. adding a new policy, a permanent budget line item, a new duty or requirement that will be permanent and ongoing; or removing an existing policy, removing an existing permanent budget line item, removing an existing duty or requirement that was permanent and ongoing, issues of conflict between current policies).*

68.1 (a) All permanent additions, alterations, or deletions must originate from within a Home Group, Sub-committee or the Administrative Committee.

68.1 (b) The changes must be submitted as a written motion which will be read to the GLASC and then added as new business to the agenda. In order to allow the P&P Admin time to check for conflicts and draft a potential policy, the motion is tabled for the first time, and "tabled for discussion" is added, discussion will take place at the next upcoming G.L.A.S.C meeting.

- 68.1 (c) Upon returning to the Area any new business that is "tabled for discussion", and is found to have conflicts with other policies, it is ruled out of order, underneath "tabled for discussion", "Out of order" is added, and the motion is moved to old business in order to inform the members of the status at the next upcoming G.L.A.S.C. meeting.
- 68.1 (d) Else if upon returning to the Area any new business that is "tabled for discussion", and is found to have no conflicts with other policies, it is now given an appropriate amount of time for discussion, the motion is then tabled for the second time, and GSR's take the motion back to their Home Groups for group conscience in order to vote on behalf of their Home Group, which will take place at the next upcoming G.L.A.S.C meeting. The motion remains as new business, but underneath "tabled for discussion", "tabled for group conscience" is added in order to inform the members of the status at the next upcoming G.L.A.S.C. meeting.
- 68.1 (e) Upon returning to the Area meeting, any new business that is "tabled for group conscience" will now be addressed. Due to the importance of having group conscience the amending process will follow one of two paths:
- 68.1 (f) **Path 1:** The GSRs in attendance are asked "Who in Good conscience can vote on this motion?" If the number of GSRs that raise their hand is equal to or greater than 50%+1 of the GSRs present then:
- 68.1 (g) The vote on the motion will proceed, and only the GSRs, that can in Good conscience cast a vote, will be the members voting on that motion.
- 68.1 (h) A 2/3 majority of those participating in the vote is required to pass the motion. If the motion passes it is then moved to unfinished business and underneath "tabled for group conscience", "Passed – vote count and pending resolution by Name of committee position" is added.
- 68.1 (i) Once the required action is completed, underneath "Passed – vote count and pending resolution by Name of committee position" "Completed" is added, and the motion is moved to old business in order to inform the members the outcome at the next upcoming G.L.A.S.C. meeting.
- 68.1 (j) If a motion is defeated, underneath "tabled for group conscience", "Defeated – vote count" is added in order to inform the members of the status at the next upcoming G.L.A.S.C. meeting.
- 68.1 (k) **Path 2:** The GSRs in attendance are asked "Who in Good conscience can vote on this motion?" If the number of GSRs that raise their hand is less than 50%+1 of the GSRs present then:
- 68.1 (l) The motion will be tabled for the third and final time, it is then moved to unfinished business and remains "tabled for group conscience". The vote will be held at the next upcoming meeting.
- 68.1 (m) Upon returning to the Area meeting, any unfinished business that is "tabled for group conscience" will now be addressed. All GSRs that can in Good conscience cast a vote, will be the members voting on that motion. The vote will proceed regardless of the number of GSRs in attendance.

- 68.1 (n) A 2/3 majority of those participating in the vote is required to pass the motion. If the motion passes it remains as unfinished business and underneath "tabled for group conscience", "Passed – vote count and pending resolution by Name of committee position" is added.
- 68.1 (o) Once the required action is completed, underneath "Passed – vote count and pending resolution by Name of committee position", "Completed" is added, and the motion is moved to old business in order to inform the members of the status at the next upcoming G.L.A.S.C. meeting.
- 68.1 (p) If a motion is defeated, underneath "tabled for group conscience", "Defeated – vote count" is added, and the motion is moved to old business in order to inform the members of the status at the next upcoming G.L.A.S.C. meeting.

69. THIRD CONCEPT AMENDMENT

(The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it):

- 69.1. This is a major change due to an unforeseen issue beyond the normal control of the committee members, a temporary, but major addition, correction, alteration, or extension of a permanent action, item, duty or requirement is needed, but is outside the scope of the original understanding and consent of the G.L.A.S.C Home groups. Temporary in this case means that a permanent action, item, duty or requirement should be completed, addressed, or fulfilled before the end of the current Chairpersons term and this amendment will not be carried over into the term of the succeeding Chairperson. (I.e. *splitting or postponing a budget line item, extending a time frame, increasing or decreasing a budget line item, suspending a sub-committees activities*).
- 69.1 (a) All Third Concept Amendments that originate from within a Home Group, Sub-committee or the Administrative Committee does not require a seconder. Any amendment of this type originating from the floor must have a seconder.
- 69.1 (b) The changes must be submitted as a written motion which will be read to the GLASC and then given an appropriate amount of time for discussion.
- 69.1 (c) Voting shall be a show of hands, simple majority(50%+1) of those in attendance at that meeting, with one exception, votes in favor of or votes against must equal or exceed quorum in order to pass or defeat the motion.
- 69.1 (d) If the motion has quorum and passes it is moved to unfinished business, and "Passed – vote count and pending resolution by Name of committee position" is added.
- 69.1 (e) Once the Third Concept Amendment is no longer needed, underneath "Passed – vote count and pending resolution by Name of committee position", "Completed" is added, and the motion is moved to old business in order to inform the members of the status at the next upcoming G.L.A.S.C. meeting.
- 69.1 (f) If the motion has quorum, and is defeated, it is moved to old business, and "Defeated – vote count" is added in order to inform the members of the status at the next upcoming G.L.A.S.C. meeting.

- 69.1 (g) If the motion is not successfully passed or defeated, due to a lack of quorum, it is moved to Unfinished business, and "tabled for group conscience" is added in order to inform the members of the status at the next upcoming G.L.A.S.C. meeting.
- 69.1 (h) Upon returning to the Area meeting, any unfinished business that is "tabled for group conscience" will now be addressed. Voting shall be a show of hands, simple majority (50%+1) of those in attendance at that meeting. If the motion passes it remains as unfinished business, and underneath "tabled for group conscience", "Passed – vote count and pending resolution by Name of committee position" is added.
- 69.1 (i) Once the required action is completed, underneath "Passed – vote count and pending resolution by Name of committee position", "Completed" is added, and the motion is moved to old business in order to inform the members of the status at the next upcoming G.L.A.S.C. meeting.
- 69.1 (j) If a motion is defeated, underneath "tabled for group conscience", "Defeated – vote count" is added, and the motion is moved to old business in order to inform the members of the status at the next upcoming G.L.A.S.C. meeting.

70. MINOR AMENDMENT

- 70.1. An addition, correction, alteration, or deletion that leaves the original document substantially intact, and remains inside the scope of the original understanding and consent of the G.L.A.S.C Home groups. (*e.g. spelling mistakes, numbering, repetition, issues of clarity, issues of overlap, redundancies, and relocation of terms and requirements within the P&P document*)
- 70.2. These amendments are carried out by the P&P administrator, or Interim P&P administrator, and are done to keep the Policies and Procedures Document in good order. These amendments are to be included in an appendix and the P&P administrator's monthly report.
